

HOMEPAGE VIDEO

I read a story about a priest who was talking to a group of people and he asked them: "Who among you wants to go to heaven?" Immediately, without hesitation, they all raised their hands and said Me, Me, Me! And then, the priest asked them: "Who among you wants to become a saint?" Surprisingly, not a single hand was raised. Instead, they all shook their heads. One said "I don't know." Another said "I don't think I can". "I'm not sure" said another. And one said "I don't think so."

Why such a reaction, you may wonder. Well, it seems a lot of people believe, what Catholic author and speaker Matthew Kelly refers to in one his books, as the biggest lie in the history of Christianity. And this is the lie – Holiness is not possible!

Sadly, many Christians believe that holiness is not possible for them! Maybe it's possible for their grandma or their grandpa or maybe for saints who lived hundreds of year ago. But for them? uh uh, no way!

What about you? If I ask you if you want to go to heaven, will you give me a resounding yes? What if I ask you if you want to become a saint? How will you react?

The truth is holiness is not only possible for you and me, for all of us, but we are called to holiness. In his first letter, Peter said: "...as he who called you is holy, be holy yourselves in all your conduct; for it is written, "You shall be holy, for I am holy."

In this digital age that we live in, it's not easy to be holy. We all know that. But even though God commands us to be holy, that doesn't mean He expects us to grow a halo right away! He knows that holiness is something that needs to be learned, practiced and lived.

And more importantly, the grace to be holy is freely and abundantly given. We just have to work and cooperate with it. How do you do it?

I believe that through the Beatitudes, our Lord and Saviour Jesus Christ gave us not just a Holiness Blueprint but the keys to true happiness.

And that's why I created The DIGISAINTS PROGRAM, a Practical, Point By Point Guide YOU Can Use To Move Forward On Your Spiritual Journey

This program is easy to follow, no over-complication, that's for sure. You will get access to program materials on holiness and the Beatitudes that are explained in simple terms.

Now, I'm not saying that the journey to sainthood or holiness is easy but it doesn't have to be rigid, stressful, and overwhelming. On the contrary, it should be a joyful experience.

So I'm not going to overwhelm you with a ton of information, I'm just going to give you exactly what you need, to take the next step as you need to take it.

What's The Thinking Behind This Program

The DigiSaints Program is designed to move your needle of spiritual growth - from being aware of what holiness is to understanding fully what it entails and then taking action to be holy by living the Beatitudes.

You will be aware of and understand what holiness truly is and isn't which will straighten right away any misconceptions which you may have about holiness, and remove any belief that may discourage you and make you think that you can never be holy or become a saint!

But it doesn't stop there...

You will also be able to reflect and know how you are doing in terms of living the Beatitudes, and start taking action by applying or practicing the Beatitudes in your daily life.

So What's Included?

The DigiSaints Program is delivered using various formats to accommodate different learning paths. So there are:

- Videos (if you're a visual person and learn better by watching videos)
- Transcripts (in PDF format if you prefer to read)
- Audios in mp3 format if you prefer to listen - in your car, at the gym, while walking, anywhere
- Digital Checklists and Journals - if you prefer to type in your responses/entries using your desktop, tablet or other mobile devices and be able to save them

- Printable Checklists/Journals - if you prefer to print them and handwrite or manually enter your responses/entries.
- A Colourful Poster which gives an overview of the Beatitudes

These program materials are compact so you watch/read/listen to them quickly, do certain steps easily and be ready to move on to the next step.

You will learn the What, Why And How of Holiness based on the Pope's apostolic exhortation, Rejoice And Be Glad. I have condensed this 46 pages, 177 paragraph papal document into 5 easy to understand 10 minute or less videos, complete with transcripts and audios

You will also be better prepared for your spiritual journey as you get to identify your spiritual strengths and weaknesses. You will be using the Beatitude Checklist, an awareness tool I created to make you more aware of your weaknesses and strengths as you apply the Beatitudes. Each Beatitude has its own checklist so there are 8 Beatitude Checklists.

You will also experience tangible progress towards holiness. You will start taking action by applying or practicing the Beatitudes in your daily life. You will be using the Beatitude StayOnTrack 40-Day Journal to track your progress and to journal. As with the Beatitude Checklists, there is a separate Journal for each Beatitude, so there are 8 Beatitude StayOnTrack 40-Day Journals in total.

Don't worry if you're not into journaling. This Journal is not a traditional kind of journal. When I designed it, I wanted it to be not just easy but fun. I bet you, you haven't seen or used a journal like the Beatitude StayOnTrack 40-Day Journal before.

You may ask...Is This For Me?

I can't answer that for you obviously but please allow me to show you something, just to put things in perspective...

Imagine this is a timeline in the context of eternity: Do you see on the left side that teeny weeny portion marked by 2 brown vertical lines? That is our earthly life. The other, much much bigger portion of the timeline, the long red line up to infinity is our eternal life.

Yet, many of us focus their attention on their earthly life alone. That eternal life mindset is simply not there.

So at this point, let me ask you - do you have an eternal life plan? Do you have a plan in place to reach your eternal destiny?

I am not saying that you will be holy or become a saint if you participate in the DigiSaints Program. Of course not! Only God can make you a saint and He gives you the grace to be holy. But you have to learn how to cooperate with that grace.

The choice is yours. I'm not asking you to Yes to the DigiSaints Program, just a "Maybe", "I'll give it a try." It's free to join but the potential gains in your spiritual life are great!

See you on the inside...

P.S. Life is short! And the older we get, the more it feels like each day is bringing us closer and closer to our last. Our God calls us to holiness. Let us respond to that call without delay, before it's too late!
